Career Objective

I want to pursue a career in Data Analyst that enables me to utilize my strong coding skills to make a positive impact on society, while continuously expanding my knowledge and skills through hands-on experience and professional growth opportunities.

I want obtain a challenging position in Data Analyst where I can leverage my skills, knowledge, and experiences to contribute to the organization's objectives, develop valuable relationships, and build a solid foundation for a successful and rewarding career.

I want to secure an internship/entry-level position in Microsoft that offers opportunities for professional development, allowing me to gain valuable experience and apply my theoretical knowledge in a practical setting.
